

Greetings from WASME!

As you are aware that WASME is an International Non-Governmental and Non-Profit Organization, working for promotion and development of MSMEs globally, providing assistance in the area of export/transfer of cost effective technology, machinery and equipment, skill development, testing & quality control, prototype design of new products. WASME has been conducting trade dialogues, technology fairs and exhibitions, industry visits, and B2B exchange meetings with important government and private sector organizations in several African, Asian and LAC Countries, such as Nigeria, Kenya, Tanzania, Uganda, Botswana, Eswatini, Ethiopia, Zambia, Cameroon, Malawi, Ghana, Guinea, Suriname, Nepal, Bangladesh and many more.

From past many years, WASME along with its partners has facilitated vigorous participation of MSMEs globally in Asia's largest Technology and Products Exhibitions/Fairs including Agri Progress Expo, Mach Auto Expo, Ride Asia Expo etc catering to sectors of Food Processing, Bakery, Agriculture and Dairy Technology, Farm Machinery and Equipment, Machine Tools, Textile, Footwear, Cosmetics, Packaging, Chemical & Plastic Products, E- vehicles, Cycle & many more.

Therefore, if you are looking to expand your business globally and access the latest technologies, equipment, and international business opportunities, please participate in any of the following exhibitions. As you may know, WASME has been tirelessly working to promote and develop MSMEs worldwide. We've been steering critical trade dialogues, technology fairs, industry visits and B2B exchange meetings with top organisations across Africa, Asia and Latin America.

The results have been incredible - MSMEs like yours will gain business opportunities, experience with cutting-edge and cost effective technologies, machinery, equipment in sectors like Food Processing, Bakery, Agriculture and Dairy Technology, Farm Machinery and Equipment, Machine Tools, Textile, Footwear, Cosmetics, Packaging, Chemical & Plastic Products, E- vehicles, Cycle & Toys, Mechanical, Electrical & many more. Many have even forged lucrative technical and financial collaborations with export orders.
